Foreword

The class of 1954 and Mr. Nisita, yearbook advisor, wishes to acknowledge Mrs. Marion S. Peek, English Supervisor, for her all-important services rendered to the copy staff of the "AURORAN".

Also, may we extend our gratitude to the faculty and personnel for the patience, understanding and counsel they have so generously given.

MR. MILLARD HENRY

Mr. Henry has, for the past two years, been the backbone of our class. He has led and inspired us when we have felt that utter defeat was at our door-step. Spurring us on with tireless energy, he has made us into the men and women we are today. Always a square-shooter, there was never a time when we could not go to him with our many problems, for he always tried to solve them as best he could.

DEDICATION

Best wishes always
Eileen J Dietrich

MISS EILEEN DIETRICH

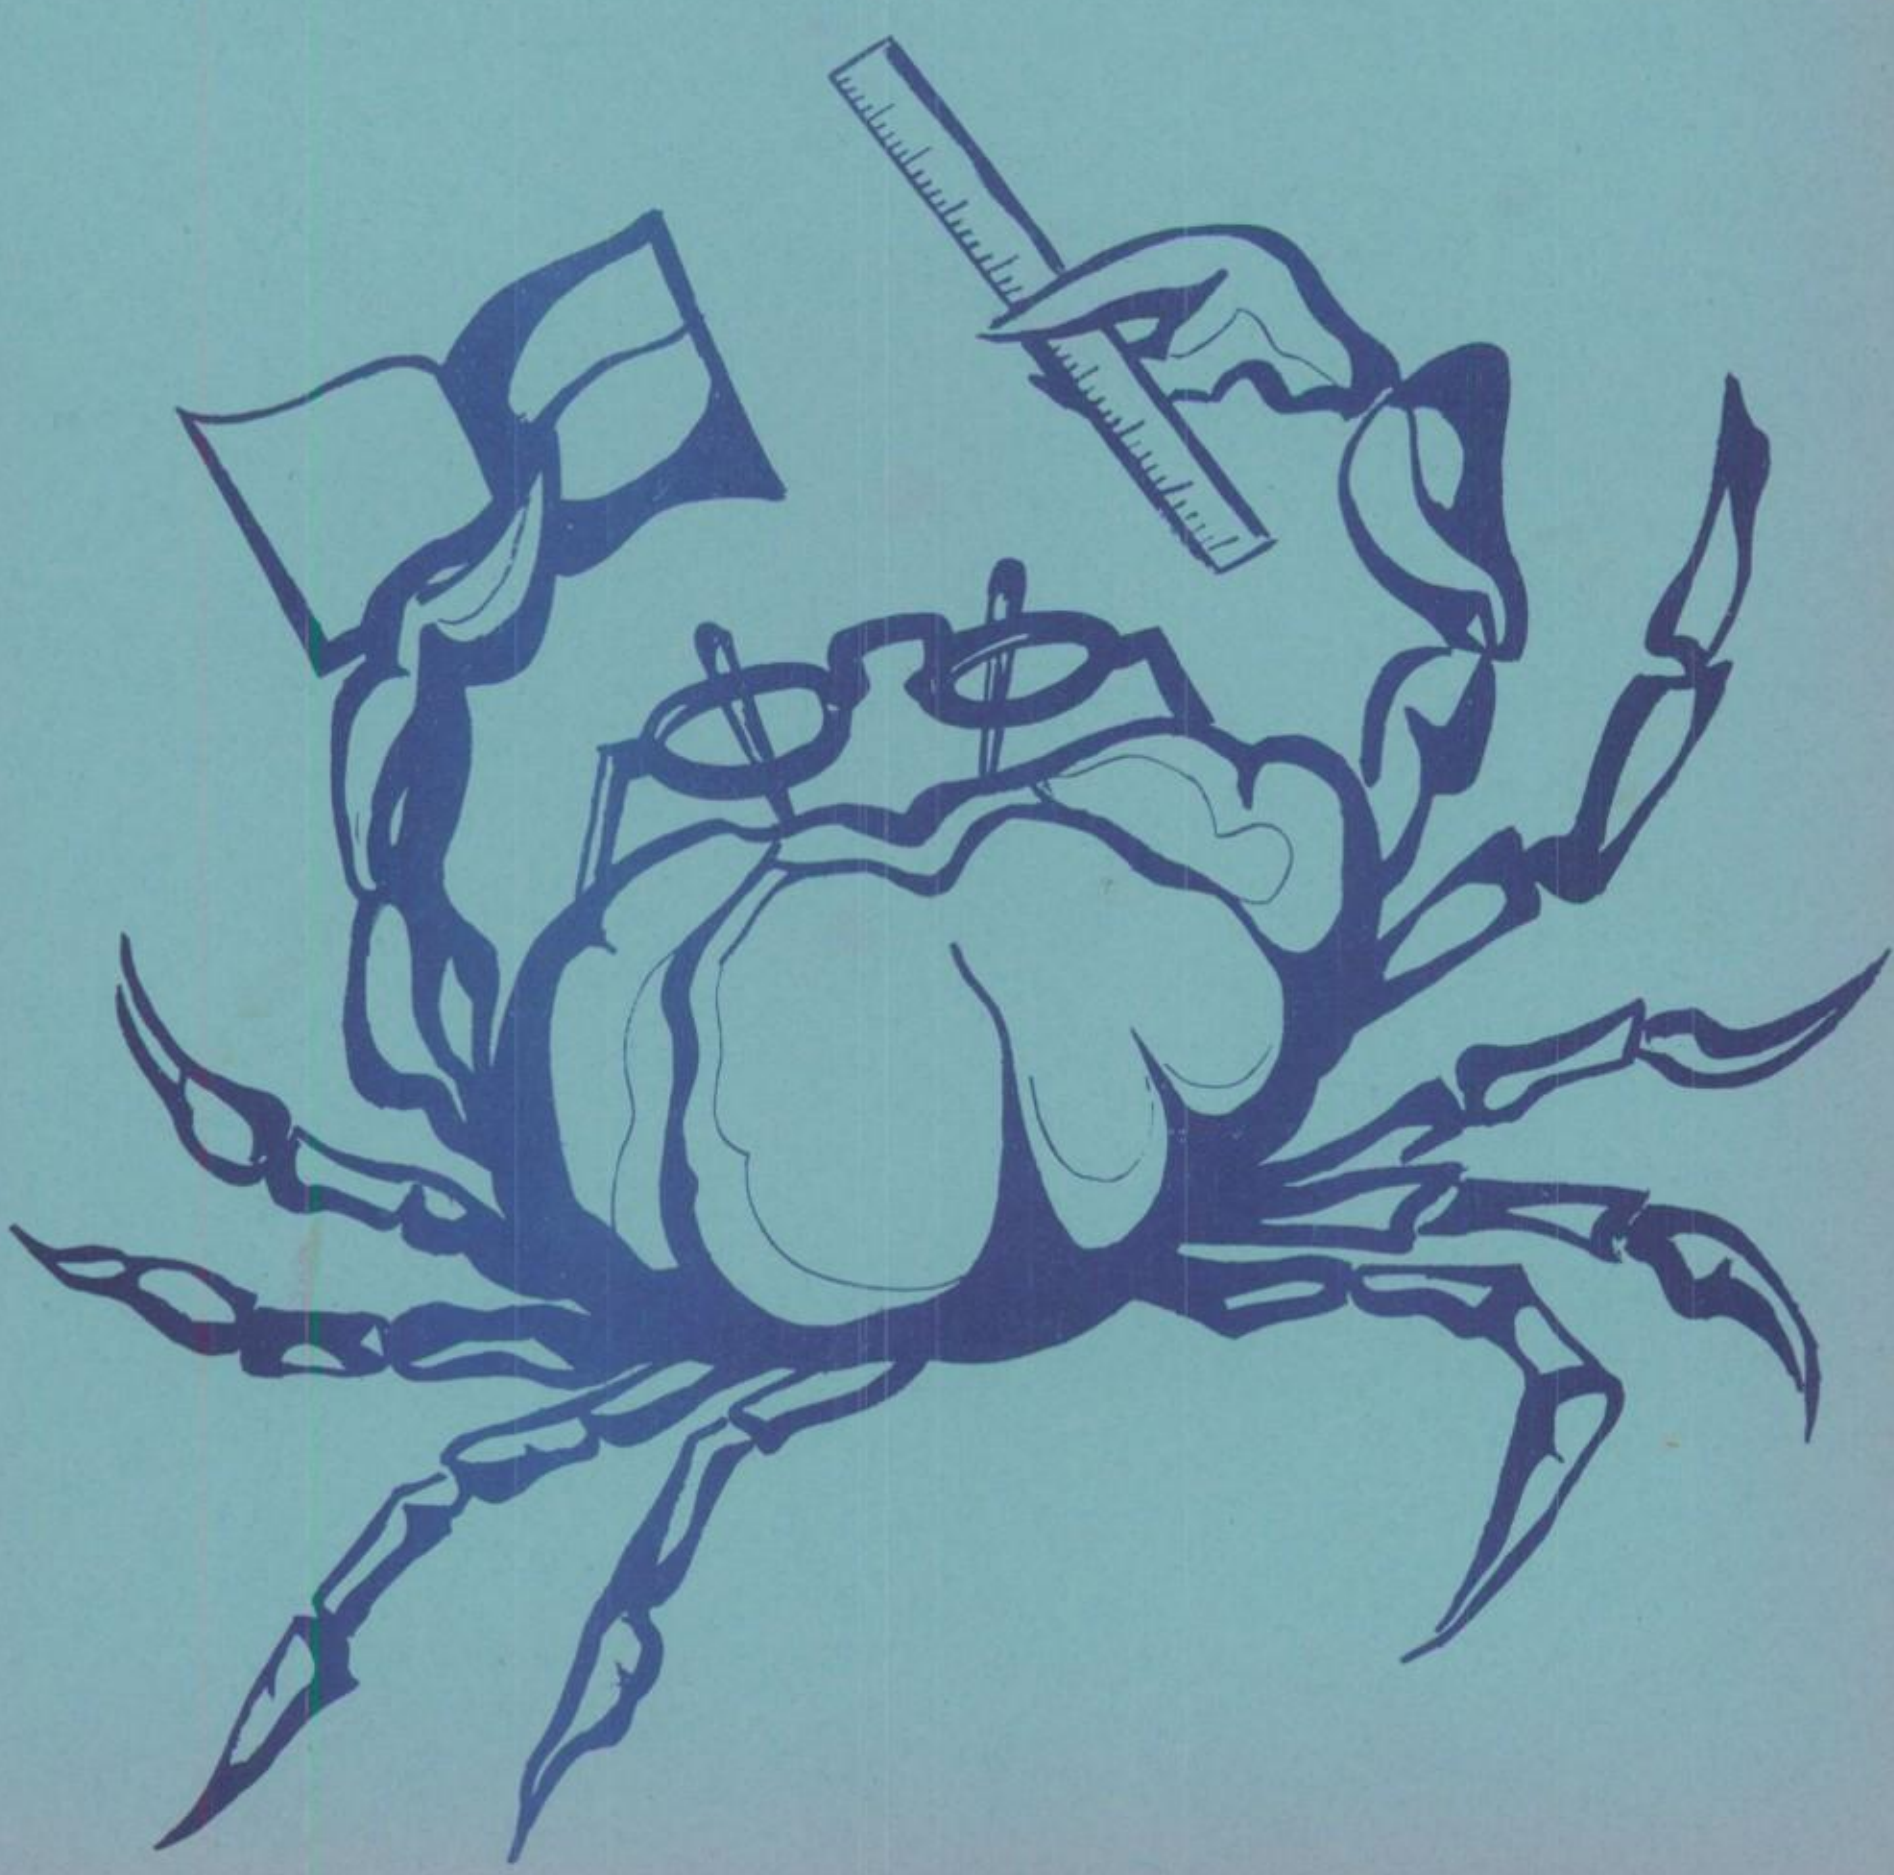
Miss Dietrich came to us in our Senior Year. She has given unselfishly of her time to chaperone our many class functions, help us decorate, and even cleanup afterwards if the need arose. These many things were not expected of her, but she gave of her time because she enjoyed the company of the people working with her. She has always been a person with whom we could joke and has given the class something to smile about on many a dreary day.

Mrs. Arthur Zent, Mrs. James Ford, Mrs. William Standeven, Mr. Donald Graves, Mr. Arthur Willert, Mr. Edwin Bean, Mr. Micheal Kaiser, Mr. Willard Wechter.

Mr. Donald T. Graves

Board of Education

Congratulations to the Class of '54, for a job well done. We of the Board of Education are proud that you have successfully completed your high school career in E.A.H.S. You are going to be missed, so come back to visit whenever opportunity offers.



MR. WALTER L. BUMGARDNER
Superintendent of Schools

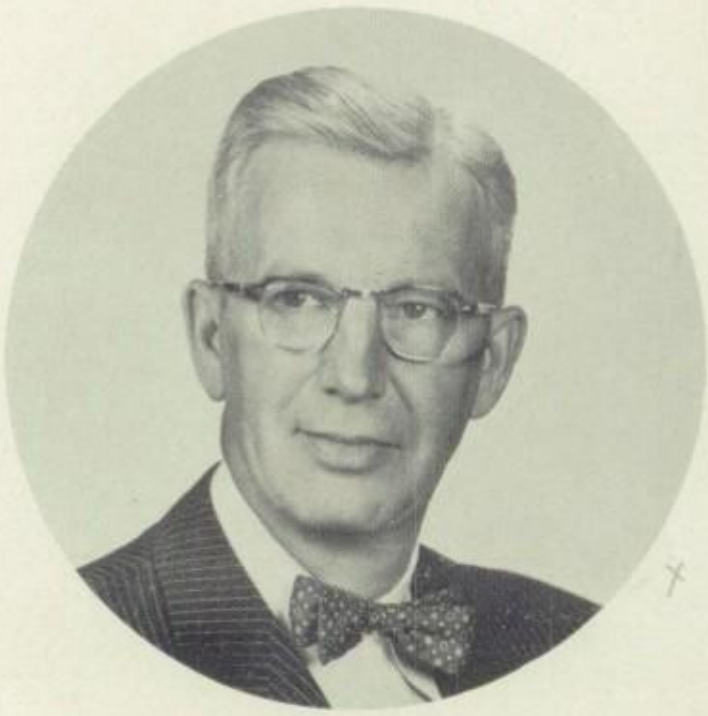
You have met the challenge of your school days well. You intend, when you choose a part of the unconquered universe for your Yearbook theme, to continue to meet challenges. This is the true spirit of America. This attitude is the outgrowth of the initiative and independence that make ours a dynamic society.

Your achievements re-inforce our confidence in all youth. Continue vigorously as you have started and we will remain a responsible, mature, progressive people.

God bless you as you go into the active business of life.

MR. THOMAS C. MOORE
Highschool Principal

Looking forward to Commencement is a pleasing and gratifying experience for each member of the Senior Class. There is satisfaction and worth in the completion of work well done and the many achievements of the Senior Class are a point in fact. The statement that "the worth of a tool depends on the user" is very apt. Indeed, if we are careful and wise "users" of whatever we have, then our progress is certain 6o be noble and constructive. Very best wishes to the Class of 1954.



Soooo - get out
V H.A. Jack B. (good luck)
Waldo

MR. H. LEWIS MCNEIL
Junior Highschool Principal

It is with pleasure that I address a few remarks to you through your Yearbook.

Away back in 1948-49 when you were Seventh Graders I called most of you in, one by one, asking you where you were going and what you wanted to become. Many of you didn't know. You have come a long way since then. However, you are merely at the beginning. You are commencing your adult life, which is what Commencement means.

If you use the same judgment and stick to your life job as thoroughly as you have to your school job, you will be happy and successful in your new venture. Our best wishes go with you.

MISS HARRIET STANBRO
Guidance

Good luck and best wishes. It has been pleasant working with you these four years, watching you mature, and seeing you develop your interests and skills. There will be countless opportunities for you to show your leadership and to use the training you have had in high school. May each of you find success as individuals and as useful citizens in your community. Come back for a visit whenever it is possible.

MR. ALFRED H. RICHERT
Guidance

You have chosen a theme which has universal appeal to men of action and adventure. It is interesting to note that civilizations connected with the dangers of the sea have of necessity become a courageous and skillful people. In order to reap the profits of a maritime occupation, together with its thrilling adventures, certain attributes are essential: a will to work hard, ability to face up to the realities of storm and calm, and a readiness to discover new methods, as well as skill to matching wits and daring with the vagaries of mother nature.

May you put out to sea in like spirit, seeking new horizons; finding all the glamour and the constancy, the strenght and the wisdom which comes with maritime experience.

MRS. MARY V. AUSTIN
Guidance

At commencement, your school sends you out to do the hardest job of all. It is one which takes courage, initiative, and a sense of responsibility - this task of being part of a team to create a better world for everyone.

One individual by himself can create little when the task is such a great one. The thought of being, even in a small measure, responsible for accomplishing such a task is frightening. Yet it is with confidence that your school sends you out to do your part.

We trust that your years in East Aurora High School have fitted you intelligently and actively to cooperate in every worthwhile effort to bring us closer to world peace.

MR. WILLIAM BEEBE
Guidance

To the class of '54, as you leave E.A. and go forth on the uncharted oceans before you: Rember that you have conquered the storms, enjoyed calm days, and weathered both here. May you meet all the rough and calm seas which lie before you as successfully as you have faced them here in E.A.H.S. "It's not the gale, but the set of your sail that determines where you go."

MR. MILLARD HENRY
Senior Adviser

Mr. Henry will long be remembered by all who know him as the man who did more toward our class as a whole than any other person. For several years now he has worked faithfully with us, encouraging us when we needed it and helping us along the hard road toward graduation. We cannot forget that much of the success of our magazine and Christmas card sales were because of his efforts. His famous home-room peptalks were taken to heart by most of us and his advice will serve as a real asset to our future. Mr. Henry, our hats are off to you!

MISS EILEEN DIETRICH
Senior Adviser

To Miss Dietrich, our faithful adviser during our final and most prosperous year at East Aurora, goes our sincere thanks and appreciation. She has helped us over countless pitfalls during our senior year. She has given us a great deal of encouragement, guidance and help. Miss Dietrich will long be remembered for directing our class along the road to success. Any success that we may have in the future will be dependent--at least in part--upon the help that she has given us.

MR. CARLO NISITA
Senior Advisor

To Mr. Carlo Nisita, our yearbook adviser, goes our sincere thanks for his faithful service to the Class of '54 in guiding us through the difficult job of publishing the yearbook. The road to success in this book has not been easy and our gratitude goes to Mr. Nisita for his guidance and understanding help with the production. We want him to know that all the work he has done in order to make our yearbook a success has been appreciated.

Class Will

TO WHOM IT MAY CONCERN:

We, the Class of 1954 of East Aurora High School, town of Aurora, County of Erie, State of New York; declaring ourselves to be found mentally unstable, having suffered four years from claustrophobia, do bequeath this, our last will and testament, to next year's seniors, our executors.

1. To Mr. Bumgardner: Two new schools, to relieve congestion.
2. To Mr. Moore: A P.A. System that works
3. To Future Seniors: The fun that we've had (and the money)
4. To Mr. Corser: Either smarter students or easier tests
5. To Future Cheerleaders: Wim, Wigor, and Witality
6. To Miss Harp: An eighth period class that's on time
7. To Miss Dillon: A best-seller on all bookstands
8. To Mr. Nisita: Ready, willing and able yearbook staff
9. To Mr. Eaton: A non-gum chewing chorus
10. To Senior Chorus: Mr. Eaton, forever and ever
11. To Jimmy Hennahane: More Birthdays
12. To all students: More assemblies and fewer classes
13. To Jazz Band: Another leader like Pete
14. To Student Council: Bigger and better Mardi Gras
15. To Future Yearbook Staffs: Editors like Purdy and Steck
16. To Future Senior Boys: Those little black books
17. To Future Senior Girls: A date for every dance
18. To Future Class Dances: More stags who cut in
19. To Mr. Hagen: No more years in lab like this one
20. To the Attendance Office: Non but legal excuses
21. To everybody everywhere: A peaceful and prosperous future

In witness thereof: We have hereunto subscribed our name.

Prophecy

To live, love, and laugh was the desire of Shirl Moore.
In this she has succeeded, to be sure.

Don Nattrass to Hollywood did go.
He also won a date with Marilyn Monroe.

Jerry Belden wanted to take life as it came, with a smile.
Since doing so she's been happy all the while.

All-American in football is Kinky these days.
He goes to Northwestern where he learns all his plays.

Managing Stan Kenton is Johnny MacLean!
That band is really on the beam.

Sally Shaddock, to Mars in her rocket, did go
And the first thing on the planet was her big toe.

Shirley Volk her secret desire would not tell,
But it seems to us that she's done right well.

To bowl 300 was Rosie Wagner's aim.
In doing so she won her fame.

He went to Africa, did Nick Smith,
On a twelve year safari trip.

Nancy Otis is now seen cruising the drag,
Cause for her license into Buffalo she did jag.

Bob Rorapaugh, as an oilman, is now in Texas drillin'
For, you see, his ambition was to make a million.

Bob Norberg has built a Christian Radio Station
And from it he broadcasts all over the nation.

Clyde Becker, we hear, received his letter in ping-pong.
Way to go Clyde. Let's sound the gong.

All Ellie Becker wants to do is eat and sleep.
And let time, away from her, creep.

Appearing in one of her own creations in Mademoiselle
Is Olga Steck, our own fair damsel!

Jacie Lee wanted her secret kept
And so, for her sake, no tears are wept.

You'll find in Montana, with a cattle ranch and all
Our own Janie Purdy and cowhands tall.

"Minnie" Neeb is now called Carol, we understand
She's also singing with a top name band.

Nancy Depke had a secret desire that we think
She has been doing for years without a wink.

Paul Adams wanted to have a champion steer
He's got one now and he's won every prize this year.

Albert Gaillard now owns the fastest car in E. A.
He can out-drag all the guys any old day.

Gary Fox is the proud owner of his own jet plane
Some of the noises it makes really drive you insane.

Jack Foster has an Elderado now
Watchout! Here he comes. Look at him go! Holy Cow!

Pat Foss is busy making weekdays into weekends.
Now we know what she does with all the time she spends.

A Cadillac does Marilyn Ernst now own.
It is said that that car has even flown.

A military secret is Gert Almeter keeping
But we may find out--what with all our pleading.

Bonnie Berg hasn't vet made up her mind
But we're in no hurry so we'll give her time.

Sally Brown wanted all of life to be as happy, as her Senior year.
She's been a success and is happy, so we think she rates a cheer.

A night with Marilyn Maxwell did Bill Fones spend.
He says she's a good conversationalist and a wonderful friend.

Carol Corker did live happily ever after
In a home that is filled with kids and with laughter.

Liz Doran set off the fire alarm system in E. A. High School.
We understand the commotion caused was really cool.

Marie Tinto wanted to be tall
She took some pills and now she's taller than all.

Dave Torke said "If she only knew."
Maybe she does. My question, "do you?"

Jim Carter wanted to make a life of the Army.
He's a general now and he lives on salami.

Don Klier wanted a garage of his own some day
That day has come and he's really making hay.

Johnny Hise is swinging on his lucky star.
He's gotten himself a brand new car.

Gail Wolff, Betty Hollowood and, the thorn among the roses, Billy Breidenstein took a trip around the world.
How other people lived was before them unfurled.

Jim Sullivan owns a brand new Rolls Royce
And we think that that is really pretty nice.

Elsie Doster to California did go
But she didn't like Christmas without any snow.

All Don Rice wanted to do was wise up

Miss Dorothy Dillon, director

Junior Play

Under the able direction of Miss Dorothy Dillon, the Class of '54 presented a rollicking comedy of three acts. This play "The Little Dog Laughed", involved a young girl, Laurie, who wanted to be a psychiatrist and her hilarious entanglements when she tries out her profession on her first vacation home. Things become even more involved when Laurie falls in love with a handsome young bachelor named Mark Bradford. The play was presented March 19, 20, and 21, and provided a good hearty laugh for all who attended.

"The Little Dog Laughed" was beautifully directed and successfully produced. A party was held in Miss Dillon's honor and that of the cast's at the home of John Black. Our hats are off to you, Miss Dillon, for all the wonderful things you did for us!

Junior-Senior Prom

KING & QUEEN
Jim Gowanlock & Betty Belz

Our Junior-Senior Prom, "The Coronation", was a great success. We danced to Art Dederick's music and enjoyed ourselves immensely.

The decorations were most unusual. As one entered the gym, one saw a mural of a gilt coach and eight prancing horses. Over the band hung a coat of arms and the enclosure for the crowning was decorated with a large shield forming the background of the canopy.

The highlight of the evening was the crowning of Betty Belz and Jim Gowanlock as our Queen and King. The presentation ceremony was preformed by Jane Siegal and Jerry O'Shei. The attendants to the King and Queen were: Ann Baldwin and Tom Bechtel, Jerry Belden and John Williams, Anne Catt and John Black, Abigail Handy and Bill Esher, Shirley Moore and John MacLean, Linda Schutz and Graham Davidson.

Yearbook Staff

The 1954 Auroran Staff began production in September 1953 under the able direction of Mr. Carlo Nisita. Like most of the previous yearbook staffs, we began by spending too much of our time in discussing and dreaming and too little of it in actual work. However, once the various staffs settled down to work, things began to go more smoothly. Now that the task is finished and our yearbook is completed, we hope that it helps to recall a wealth of high school memories in the years to come.

Highlights

Mr. Howard Hoover

We can all be proud of the progress and accomplishments of this years Highlights. Bill Esher's stimulating editorials, Ann Doran's informative gossip column, Jim Silliman's thrilling sports write ups, Don Wrathall's excellent photographs, as well as accurate reporters and an efficient business staff, have all helped to make this years Highlights the best ever. It wasn't all talent however; many hours of hard work on the part of every member of the staff went into each issue. Projection Club

Members of the Projection Club learn to operate and care for all the audio visual machines used in the school. The students operate the machines for teachers in both the elementary and high school, as well as for some community organizations. One student is on duty in the projection room and one in the elementary office every period of the day ready for call. The Projection Club provides an invaluable service to our school.

Science Club

This year the Science Club continued to strive for the perfection that science requires. Many interesting field trips were taken to supplement the regularly scheduled topics given by the members. Among these were the trips to Republic Steel and the ornithological study of the area. The club wound up the year with a picnic of fun only.

Our school is able to boast 100% membership in the Red Cross. At Christmas we assembled and delivered 50 bushel baskets filled with food and good cheer for needy families in this area. In March we filled 70 gift boxes to be sent to needy children in the U. S. and over seas. Several members of the Junior Red Cross helped at the Blood Bank each time it came to East Aurora. Without the able guidance and hard work of Miss Hyde, however, we realize that all this would never have been accomplished.

We all appreciate the services of Miss Metz and her student library staff. Many of us would be completely lost without an organized library to which one could turn for information and books. Those who worked in the library have gained knowledge in learning how an efficient library functions.

Girls' Varsity A Club

The Girl's Varsity A Club got underway for a very active and successful year last September. Their main project was getting sweaters for their members. As a money raising project, they are selling East Aurora sweatshirts to the entire student body. These have been in great demand and the Varsity A has made a very successful project out of it. The officers of the club were: A. Hartloff-pres., S. Shaddock-v. pres., G. Renfrew-sec. treas.

Boys' Varsity A Club

This year the Boy's Varsity A Club was again under the able supervision of Mr. Louis Hulbert. The officers of the club were: J. Youngers-pres., D. Burke-v. pres., J. Marshall-sec., R. Northrup-treas. The boys attempted to start a program where by each boy that bought a letter jacket would receive some money as part payment. Their biggest endeavor was the joint Girl's and Boy's Varsity A dance. They also have been working on their charter.

Although not fulfilling pre-season predictions, the Blue Devils never gave up, and compiled an 8 win 8 loss record. The highlight of the year was E.A.'s thrilling 73-69 come-back, overtime victory at Williamsville, under the capable coaching of Mr. Hulbert.

Seven Seniors; John Williams, Doug Burke, Don Rice, Clyde Becker, Dave Kingston, Bill Ulmer, and Bill Fones earned the varsity award.

Mr. Bert Bowen

Although not showing an impressive record on paper the Blue Devils played hustling baseball all year winning four and losing eight. Three of the eight losses were thrilling extra inning games with Williamsville and Amherst. The squad consisted mostly of juniors and sophomores giving E.A. high hopes for a winning '54 season.

Although the record in the "won and lost" column is not impressive, the highly determined track team came through at the Sectionals at Hamburg by turning in a second place in a field of five competors. At the Divisional at Amherst, East Aurora failed to score in only one event, the Mile. Helping to pace the Auroransans, Jerry Blition set a school record of 22.7 seconds in the hurdles. The team was under the coaching of Mr. Hulbert, Mr. Henry and Mr. Debo.

The gruelling sport of cross country competition is always a challenge to the sturdy and stout hearted athlete. To the small squad that represented East Aurora goes much honor for a highly successful season. Of the nine runners making up the squad five are seniors, led by Tom Nicholas, the captain. An innovation was the first Erie County Invitation Meet open to all schools of the county and run in East Aurora. This meet, a pet project of Mr. Nisita, was sponsored by the East Aurora Athletic Association and it is hoped will be held annually.

East Aurora and Amherst divided their two matches and battled to a 71/2-11/2 deadlock to end up co-champions. Don Wrathall won the Western New York individual trophy for the second straight year.
